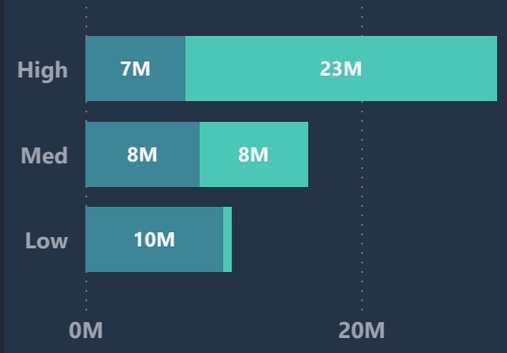
Income Distribution Overview



Key Insights

- Blue card category generates the highest revenue (~$47M)
- Businessman segment is the top revenue contributor
- High-income customers drive the majority of revenue
- Total revenue is strong at ~$56.5M with 57% activation rate
- Revenue trend shows a gradual decline over time
- Graduate customers contribute the most among education levels

DAX Techniques Used

- Created measures for Total Revenue, Interest, Customers, Activation Rate
- Used CALCULATE() for filtered calculations
- Used DIVIDE() for percentage metrics (safe division)
- Applied ranking (RANKX) to find top categories/segments
- Performed time-based analysis for trends (monthly/quarterly)
- Built dynamic measures responsive to slicers
